THIRD EDITION OF HEALTH CARE PLAN RELEASED

San Diego -- La Jolla physician and surgeon Dr. James Veltmeyer has released the Third Edition of his health

care reform informational booklet, entitled "Health Care by the People, for the People." This edition includes

new material concerning Emergency Catastrophic Care (ECC) as well as National Health Savings Accounts

(NHSA), in addition to the more widely-known Medical Association Membership (MAM) model of direct

primary care. Voted one of San Diego's Top Doctors in 2012, 2014, 2016 and 2017, Dr. Veltmeyer is now an

announced candidate for Congress in California's 52nd District.
