
California State Controller
BETTY YEE

EXPERIENCE MATTERS

Dear Friend,

Today, United States Senator Kamala Harris announced her endorsement of my re-election campaign for California State Controller.

"Betty has demonstrated her leadership by applying her financial and fiscal experience to her work in tax, environmental, and pension policy to ensure the economic health of all Californians," Senator Harris states. "Her work and service must be sustained. Join me in re-electing Betty Yee for California State Controller."

Controller Yee responds, "I am proud Senator Harris is standing with me in my service and leadership as California's independent fiscal watchdog. She is a bold, effective leader we can count on in Washington whose service is grounded in the principles and ideals to which our nation can aspire. I look forward to continuing our work together."
