

Let's Bring Balance Back to California!

I'm glad to announce my candidacy for the 66th Assembly District!

Having served as an elected official for 14 years and having been a business owner for over 40 years, I can tell you California is on a dangerous path.

Taxes have continuously risen, just this year our current Assemblyman voted to increase car registration fees, our already inflated gas tax, and to extend cap and trade. These increases will cost the average Californian **\$1,000 to \$3,000 annually**.

Public Safety is a big concern for most residents. With the passage of [AB109](#), [AB620](#), Prop [47](#) & [57](#), and the passage of the [sanctuary state bill](#), **crime is rising** at an alarming rate.

Now is the time we stand up and say, **"enough is enough."** Sacramento is out of touch with the residents of the South Bay, I am asking for your support to stop this madness. Join me as I work to enhance the South Bay and secure a better tomorrow for our children.

Very Sincerely,

Frank Scott
