

### Support Continues to Grow

CapitolMorningReport -

Since the inception of my campaign for California State Senate, I have amassed wide-ranging support from leaders and organizations throughout the San Gabriel Valley. Today, I am proud to announce the support and endorsement of Valley County Water District President Paul Hernandez! Paul released the following statement:

**"I know with Monica in the State Senate we will have a strong water conservancy advocate in the legislature. I enthusiastically support her election to the State Senate."**

Paul's endorsement is another example of our strong and growing momentum, but we have much to do before the June 5th primary!

Thank you,

Monica
