LONG BEACH, CA-- Showcasing his growing coalition of support from young activists in his statewide bid for California State Insurance Commissioner, today State Senator Ricardo Lara secured a crucial endorsement from the Los Angeles County Young Democrats (LACYD).

Los Angeles County Young Democrats is the largest organization in California focused on giving young people a voice and a vehicle for activism in local, state, and federal political issues.

In announcing their endorsement, Los Angeles County Young Democrats released the following statement:

"Ricardo Lara is the bold and innovative leader that we need in the California Department of Insurance. In the State Legislature, Senator Lara proved his commitment to social and economic justice by working to eliminate discrimination in our public schools, fighting for equal pay for equal work, and expanding access to health care for all. He refuses to stick to the status quo and we know we can count on him to develop creative solutions to protect California's consumers as our next California State Insurance Commissioner. Los Angeles County Young Democrats are proud to endorse Senator Ricardo Lara."

The announcement follows Senator Lara's recent endorsement from the California Labor Federation, merely days ago. Also, Senator Lara recently

released a new gripping digital video highlighting his vision of a California with healthcare for everyone.
