John Cox Issues Statement Blasting California Assembly Passing Free Benefits for Illegal Immigrants

California -- Republican businessman John Cox, one of the two leading candidates for California Governor issued the following statement regarding the California State Assembly passing [AB-2965](#) which would extend Medi-Cal program coverage to illegal immigrants, today.

"California's Democrat leadership claims we need a ever-increasing gas tax to pay for our state's crumbling infrastructure yet they spend billions on free benefits for illegal immigrants. That's offensive to the hardworking, law-abiding Californians," Cox said.
