

Brian Wimmer Ends Campaign Endorses Graham for State Assembly

(Oceanside, Calif.) - Brian Wimmer has dropped out of the race for the 76th Assembly District and has endorsed Phil Graham. Wimmer made the announcement on Monday evening at the monthly meeting of the San Diego County Republican Party. The field of Republican candidates has now narrowed to five, with two Democrats remaining.

"The best thing we can do for the Republican Party is to coalesce around the strongest candidate, otherwise we run the risk of not getting in the top two," said Wimmer. "I've gotten to know Phil over the course of this campaign and he is a true conservative. He will stand up for our district and bring some common sense to Sacramento. I'm proud to endorse him and will do anything I can to help get him elected."

"Brian is a class act. It's been great getting to know him, and I'm very honored to receive his endorsement," said Graham. "I look forward to helping him with his next campaign."

The 76th Assembly District encompasses coastal North County. It includes Camp Pendleton, Oceanside, Vista, Carlsbad, and Encinitas.
