DAY 7: STILL NO RESPONSE FROM MARSHALL TUCK ON THE HUGE REPUBLICAN ISSUE

California – May 30, 2018 – It has been seven days since Marshall Tuck was asked to his face to disavow Republican mailers that put him side by side with people like Newt Gingrich and hateful words against immigrants. To this day Tuck remains silent.

In an [forum hosted by EdSource](#) last Wednesday, Tony Thurmond gave Tuck the opportunity to renounce this support by extremists:

“When will you disavow these interests from the Republican party and other places that you are receiving support from?” said Thurmond. “If you are opposed to Secretary DeVos and Trump, say so. Are you aligned with them, or are you going to accept tacit support from them without speaking out against the mean spirited actions they are bringing against California students?”

Tuck sidestepped the question by branding it “misinformation.”

**We Recommend the Following:**

**Governor: John Cox\***

Conservative Businessman JOHN COX will END the SANCTUARY STATE, REPEAL the GAS TAX, SUPPORT PRESIDENT TRUMP and DEPORT criminal aliens.

Like PRESIDENT TRUMP, JOHN COX will appoint judges who respect the rule of law and who will strike down Jerry Brown's unconstitutional Sanctuary State.

MAKE CALIFORNIA GREAT AGAIN!

*"John Cox is doing something remarkable for a Republican. A recent survey indicates he is now within striking distance of being elected governor of the infamously liberal state in November."*

**Lieutenant Governor: Cole Harris\***

Cole Harris will bring people together to lower taxes, prioritize government efficiency and quell any effort to make California a sanctuary state.

Father. Businessman. Leader.

**Superintendent of Public Instruction: Marshall Tuck**

California students rank 44th in reading and 46th in math. We must do better. Tuck's plan... local control, spend money in classrooms, cut bureaucracy, demand accountability.

Campaign finance filings show that two slate mailers, “[Continuing the Republican Revolution](#)” and “[California Republican Taxpayers Association](#),” were paid for by the EdVoice for Kids PAC on Tuck’s behalf. [EdVoice for the Kids PAC](#) receives major funding from billionaires including Eli Broad, Bill Bloomfield, and the Walton family. The Waltons have a long history of funding “school choice” candidates with Betsy DeVos and funding DeVos’s organizations.

Last Thursday, the California Democratic Party [reiterated](#) Thurmond's call to Tuck to disavow support from Republicans and individuals aligned from Secretary DeVos.
