Big News From NRCC in CA 39 Election: Young Kim Elevated to Contender Status

ORANGE COUNTY, CA - - Just two weeks after Republican Candidate Young Kim was announced as a candidate "On the Radar", the National Republican Congressional Committee (NRCC) announced Young Kim as achieving "Contender" status.

Equally impressive is the fact that Young Kim has achieved the elevated status in only a few short months since announcing her campaign in late January.

The NRCC Young Guns program is structured to recruit and guide candidates through the election process. The Program recognizes candidates after reaching particular campaign goals such as fundraising achievements, grassroots organization and campaign team structure.

With Kim earning the endorsement of current U.S. Representative Ed Royce and raising more than \$700,000.00 to date Kim has clearly illustrated the ability to run a competitive campaign for the 39th District in November.

California's 39th District encompasses cities in northern Orange County, eastern Los Angeles County, and southwestern San Bernardino County.
