Josh Harder earns the endorsement of Senator Kamala Harris for CA-10.

(Modesto, CA) — Josh Harder, running to replace Jeff Denham in California's 10th Congressional District, today announced the endorsement of Senator Kamala Harris.

"I'm honored to earn the endorsement of Senator Harris," said Josh Harder. "She's a true advocate for the issues that affect the Central Valley and Northern California," said Harder. "When elected, I look forward to working with Senator Harris to make sure all Central Valley constituents have access to the American Dream."

"I'm proud to endorse Josh Harder to represent California's Central Valley, because I know he will go to Washington and get things done," said Senator Kamala Harris. "As a fifth generation Turlock native, Josh knows that we need to expand access and reduce the cost of healthcare and pass comprehensive immigration reform."

###

A product of California's Central Valley, Josh Harder is a Modesto Junior College teacher and businessman running as a Democrat in California's 10th District, which is currently represented by Republican incumbent Congressman Jeff Denham. Denham won re-election in 2016 by the third narrowest margin of any Republican Congressman nationwide — then voted to take health care coverage away from millions of Californians. Harder grew up in Turlock, went to public school and worked his way through college and business school. Now he's running for Congress to help defend our values against the Trump-Pence Administration's attacks and create an economy that works for the Central Valley.
