**ICYMI: LA Times: Republican John Cox Launches New Attack Ad
Against Democrat Gavin Newsom in California's Governor's Race**

California – In case you missed it, the *Los Angeles Times* today reported on John Cox's first television ad of the general election, which starts running on Friday.

"Politicians like Gavin Newsom talk about change, but they've done nothing. Sky-high gas prices, food prices, and homelessness," the narrator of the 30-second ad says. "Gavin Newsom it happened on your watch."
