**Mike Eng Supporters' Attacks on Susan Rubio
Domestic Violence Abuse Hurt All Victims**

***Susan Rubio for State Senate Campaign Calls on Mike Eng to
Denounce Lies And Demand Supporters Stop Immediately***

Baldwin Park – Residents in the San Gabriel Valley, especially Latinos and Latinas, have told the Susan Rubio for State Senate campaign that Mike Eng supporters are spreading disgusting lies about the domestic violence abuse that Susan Rubio has suffered.

Mike Eng and the California Democratic Party must denounce these tactics of demeaning women and demand that his supporters stop victim shaming immediately.

According to residents, Mike Eng supporters have come to their homes and have tried to undermine or deny domestic violence accounts by Susan Rubio, whose abuse is documented and supported by a judge's still-enforced restraining order against her abuser.

The judge said "she found Rubio's detailed testimony chronicling specific incidents of abuse, including one in which Rubio said he threatened her with a knife, to be credible."

These door-to-door attacks are an attempt to disparage a domestic violence survivor's account and runs counter to what the Democratic Party says it represents.

That this is occurring during National Domestic Violence Awareness Month is especially offensive and demeans victims everywhere. It feeds into a national political climate that is once again encouraging a culture of not believing survivors.

Mike Eng and the California Democratic Party must denounce supporters spreading these lies and demand they stop immediately.
