

## **The women who lead the San Gabriel Valley support Mike Eng for State Senate**

---

**EL MONTE, CA** — There are two candidates for State Senate in our district, a man and a woman. **But only Mike Eng is endorsed by California NOW Pac**, the California Democratic Party and our Democratic leaders. Why are women uniting for Mike when he is running against a woman?

Because Mike Eng is the only candidate with a proven record on the issues we care about most:

- Mike fought to strengthen and renew the Violence Against Women Act, and co-authored Senate Joint Resolution 20 to demand the continuation of support for victims and awareness of Domestic Violence.
- Mike worked to increase prevention efforts and legal protections for victims of domestic violence, sexual assault and stalking.
- Mike has the courage to stand up to Donald Trump and expand access to affordable health care in California. He's supported by the United Nurses Associations of California, SEIU Nurses 121RN and the California Nurses Association.
- Mike — a college teacher and former community college board vice-president — is an effective champion for education and affordable college for all.

***“Mike Eng has proven that he stands up for school funding, access to healthcare for all, increased childcare and early education, and equality for women.”***

***-Kolieka Seigle, President of California National Organization for Women***
