**CA SUPREME COURT JUSTICE CARLOS R. MORENO (Ret.)  
ENDORSES ANA MARIA QUINTANA FOR 33<sup>rd</sup> SENATE DISTRICT**

Retired California Supreme Court Justice and former U.S. Ambassador to Belize, the Honorable Carlos R. Moreno, endorses Councilmember and Vice-Mayor of Bell, Ana Maria Quintana, in her campaign to fill the vacancy in the 33<sup>rd</sup> District of the California State Senate.

“Ana Maria is smart, creative, and honest. She’s a true visionary in addressing the many complex issues facing a very complex society. She is also dynamic, progressive and at the bottom of it all, she is smart and fervently dedicated to making our political system serve the needs of our communities. Therefore, I strongly urge all voters support her in her race to be the next State Senator for the 33<sup>rd</sup> Senate District.”

Justice Carlos R. Moreno paved the way that Ana Maria Quintana would later follow. He was one of the first Mexican-American students to graduate from Yale University, also her alma mater, and it was his example of public service and advice that ultimately led her to seek a law degree at Columbia Law School and enter public office in the City of Bell.
