Harley Rouda Picks Up Endorsements from Two Pivotal Statewide Groups

California's Premier Environmental Protection and Equality Organizations, CA League of Conservation Voters and Equality California, Announce Support of Congressman's Re-Election Bid for CA-48

LAGUNA BEACH, CA -- Further validating his strong track record when it comes to combatting climate change as well as advancing equality for all, today United States Congressman Harley Rouda landed two powerful statewide endorsements, including from the California League of Conservation Voters (CLCV) and Equality California (EQCA). The endorsements underscore the growing and broad coalition of support the Congressman has received as he gears up for 2020.

In making public their endorsements, CLCV and EQCA released the following statements:

“In Congress, Harley Rouda has been at the forefront of the battle to combat climate change. He has been a leader in the effort to protect clean air and water, prioritize renewable energy and stop offshore oil drilling along our coast. We need Harley Rouda to continue this important work on behalf of the people of California’s 48th district. The California League of Conservation Voters is proud

to endorse Harley Rouda for Congress.”

-- Mike Young, Political Director, California League of Conservation Voters

Rep. Harley Rouda is Chair of the Subcommittee on Environment for the House Committee on Oversight and Reform. He’s held numerous hearings on Climate Change, PFAS contamination and public health crisis, and on June 7, 2019, Rep. “Equality California is proud to support and endorse Rep. Harley Rouda's 2020 re-election campaign. Rep. Rouda is a champion for the LGBTQ community in Orange County and we are grateful to have him as an advocate for us in Washington, D.C.”

-- Rick Zbur, Executive Director, Equality California
