Laguna Niguel, CA – Today, the Davies for State Assembly campaign launched a digital ad campaign and WrongforOrangeCounty.com. Along with the launch of the website, a series of digital ads will inform voters just who Bill Brough is and how he is wrong for Orange County. The website and the digital ads highlight the many troubling allegations and investigations Assemblyman Bill Brough is facing. As well as highlighting how the local party is no longer supporting him.

“Bill Brough is a black eye on South County. The Lincoln Club and the Republican Party of Orange County have made this publicly clear. As the people of South County learn exactly who Bill Brough is we are confident they will vote him out in March and nominate a trusted conservative leader like Laurie Davies to represent them in Sacramento,” said campaign spokesman Peter Towey.

Screenshots of the ads that will begin running today are below.
