ANNE KEPNER

— *for* STATE ASSEMBLY 2020 —

Dear Friend:

I have some great news: the response to my recent announcement that I'm running for State Assembly has been tremendous. **In fact, Senator Jim Beall has thrown his early support behind my campaign.** Senator Beall has been a tireless champion for children and families, fighting to improve the quality of life of all Californians. **His endorsement is a testament to the strength of my campaign and vision for our region and state.**

“I support Anne Kepner for Assembly because she shares my commitment to ensuring everyone has a voice in our political system. In the Assembly, Anne will work to expand opportunities and improve the quality of life for all who call California home. I am looking forward to continuing to partner with Anne and know she will be a champion in the fight for mental healthcare, affordable housing and ending childhood poverty.”

— Senator Jim Beall

I am running for Assembly to create solutions to our biggest challenges, from ensuring **all children get a quality education** to improving **access to healthcare**, creating **economic opportunity** and providing **affordable housing** for students, families and seniors

The success of this campaign rests on my ability to communicate with voters — and it takes financial resources to do it effectively.
