

# Time to RECALL Newsom

---

If you've been watching the headlines, you may have noticed [Governor Gavin Newsom is cracking](#) under the pressure of his upcoming **September 14th recall**.

Californians are rightly angry about our Governor's arrogance and his decisions on a variety of issues. But here at [California Family Alliance](#), we think there are a few decisions that stand out among the rest in their blatant disregard and disrespect for our Constitutional rights, our faith, and our families.

It's time that pro-family and pro-faith voters like you and I have a voice to push back on elected officials whose decisions are rotting the foundation of our state and hurting our

children. We need to promote elected officials who will defend faith and think about the wellbeing of families *first*. [At California Family Alliance](#), we're ramping up to lead the charge for California's families. We need your help.

**What is the California Family Alliance?** *We are a 501 (c)4 organization that exists to advance God's Design for Life, Family, & Liberty through California elections and initiatives.*

G I V E

First step - we need to make sure the voices of California's pro-family voters are heard in this recall election.

Governor Newsom thought nothing of locking down churches completely [until the Supreme Court decided against his dangerous and unconstitutional mandate](#). And while Newsom ordered you to stay home and forbade you from going to church, [he was in Napa Valley enjoying a dinner party with lobbyists](#), flagrantly breaking the law he wanted you to follow.

Under his leadership, our state has adopted policy that confuses biological sex, and we are seeing the consequences of this tragic ideology all around us. [Biological men are invading women's prisons](#), and sexual assault, rape, and pregnancies are on the rise. Hospitals are [unable to properly medically assess patients based on gender](#). And [our public universities are becoming haphazard abortion clinics](#).

***Gavin Newsom has trampled on family values long enough.*** Enough is enough.

California Family Alliance is adding our voices - and yours - to the Newsom recall conversation, defending California families in the political square, and supporting authentic pro-family candidates. But we can't win this fight alone. California's families need to rally now more than ever.

Support us in this fight for the heart of California and the sanctity of her families. **Help us reach your pro-religious rights friends, family, and co-workers and *forward this message.***

It's time for pro-family voters to be heard. We *can* advance truth and faith in California. And we hope you'll join us.
